

Hello 2024

Allow me to introduce myself!

*In the space below, introduce yourself to 2024...
What do you want the New Year to know about you?*

*Hello 2024, My name is _____ . I want you to know that
this year, I am _____ , _____ and
_____ .*

*Sometimes I can be _____ and _____ .
You can count on me to _____ .*

I would like support in 2024 in the areas of...

My hopes and wishes in 2024 are....

As we begin our time together, the challenges I am facing are...

Right now, my soul is craving more...

Your dreams are the compass points leading to your destiny. Dare to dream, for in those dreams, you'll discover the roadmap to the extraordinary life you were meant to live.

Ralph Waldo Emerson

Most of all, I am really looking forward to...

When we are looking at the last days of 2024 together, I would like to say to you...

And to set the tone for our year ahead, my word-of-the-year for 2024 is:

My Oracle Card message for 2024 is:

I look forward to manifesting our best year ever!

With Love,

I am a firm believer that every few years one needs to shake one's life through the sieve, like a minor in the Yukon. The gold nuggets remain. The rest falls through like the soft earth that it is.

Amy Poehler
